

"If I Were..." Poem

If I were Poppy,

I would show my granddaughter how I play the harmonica and drink a glass of water at the same time!

If I were Nanna,

I would show my granddaughter the scary tiger in the backyard.

If I were the little girl,

I would never want to leave my grandparents house..

If I were Emily,

I would want to spend more time with my grandparents.

The Hello, Goodbye Window
